

STAIRPLAN

MAN FOR A DAY SERVICE

> Our man for a day service is available on our Premium range of staircases.

> This service is for one of our staircase assemblers who is familiar with your individual staircase to come to site to Instruct and Assist your team of installers to ensure your new staircase is assemble and installed correctly.

> The cost of this service is £500 + VAT, this is for a 10 hours including the travelling time from and back to Stairplan in Telford.

Please note the time you have our man on site will be limited subject to your location.

If a additional day is requested further costs for accommodation will be incurred.
